Good Times, Bad Times

THS was the place to be this year. Laughter, tears, joy and sorrow, made 1984 unique in the history of Tecumseh High School. And the people who made it that way were YOU!

“Now that’s Italian!” (Steve McCraw)▶

Wall to Wall Excitement

Think about this: We spend almost 7 hours a day at school, and only about 30 minutes is spent in the halls. Yet the halls are the scene of many important activities which cannot take place in class. Happiness, sadness, weirdness are a big part of this small part of our day spent in the halls.

For a great deal of THS Students, the most important part of school is the time they spend with friends, in the halls. They talk, tell jokes, and exchange homework. For some, this is the only time they have with their friends. Lovers who don't get to see each other often enough also look forward to hall time. So perhaps the halls are the most important part of school. Besides, that's where the candy machines are.

▲ "Look out, here I come!" (Coach Canfield)

▲ "I need a candy fix!"

As We See It

At the beginning of 1984 we took a survey to find out what you, the THS Students, liked in 1983. We polled you on such subjects as music, entertainment and your lifestyles. As could be expected we received a wide variety of answers. Some of the results just might surprise you!

Students Fall Into Full Swing

The students began to roam the halls and fall into their old school routines in the autumn of 1983. The football season got underway and the organizations and clubs were quickly into full swing. THS students were falling back into their old studying habits too. In the next few pages drop in on the Savages for the fall of 1983.

Savages Go to Great Lengths

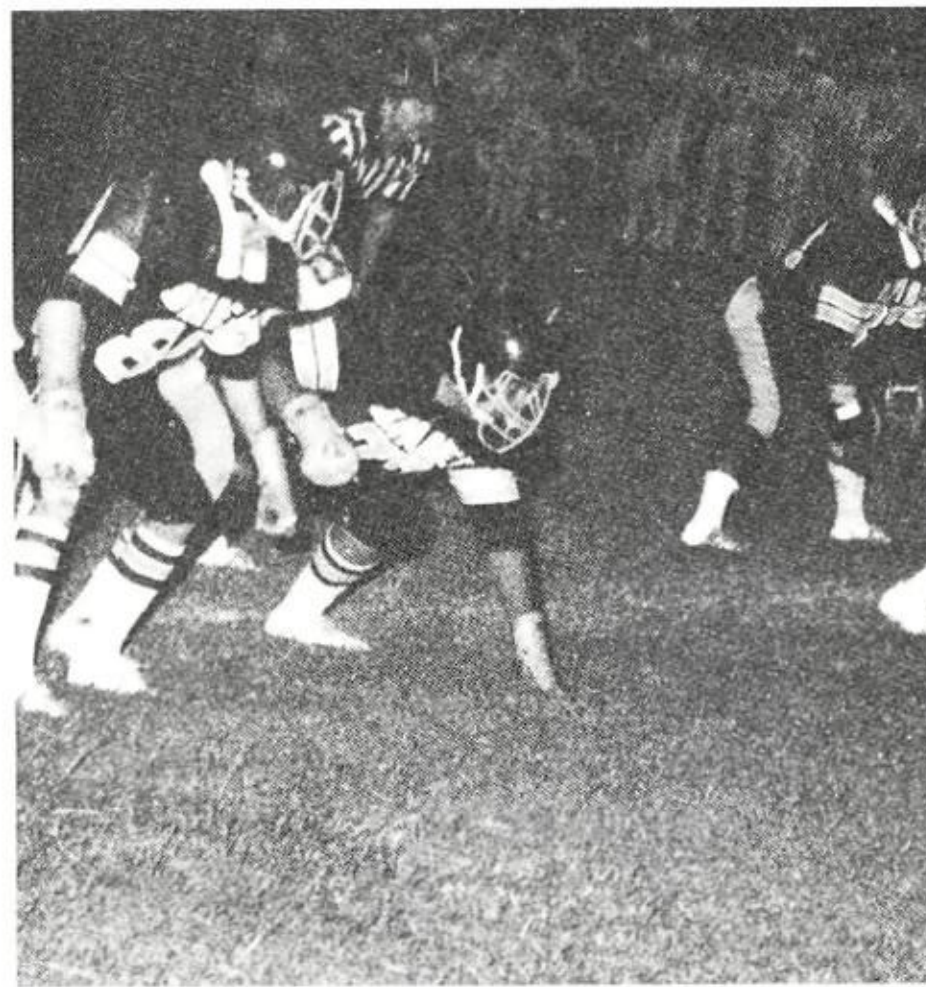

As fall comes in, out go fans, cheerleaders, and the T.H.S. Football team. When the football was kicked for the first time the action was underway. Though the record was a disappointing two win eight loss season, the Savages battered two notorious rivals, Wewoka and Sulphur. Mike Robinson also made his head coaching debut after nine years with Tecumseh.

Small Band Had a Good Year

The big issue this year for the Savage Pride was size. The fifteen member band still did an outstanding job at contest and on the marching field.

The band upheld the traditional Band Queen Coronation, also. Candidates were: Senior — Beth Owen, Junior — Melissa Kreft, Sophomore — Crystal Stroud, and Freshmen — Tina Miles. Crystal Stroud was the winner.

Spirit Club . . . Lets Their Spirit Soar

The Spirit Club increased to 47 members. They elected the 1st male president Robert Klaus. The club held 2 dances and sold ribbons, hats, and Savage stickers. The Savage Spirit Club raised attendance at ball games by making them fun and exciting. Many people who were not members of the club were considered a part of this year's activities.

FTA and BETA Emphasize Education and Leadership

F.T.A. (Future Teachers of America) and Beta Club set the year rolling by putting several service programs into practice. FTA lent a helping hand to the teachers during Open House and obtained valuable experience by teaching Kindergarteners at Barnard every Friday. Beta showed their spirit by sponsoring two Blood Mobiles, a Clean-athon for the Arthritis Foundation, and their annual Salad Luncheon for the teachers.

Old and New

History classes got off to a flying start this year as Mr.

Walck's class learned more about nuclear war by watching "The Day After" in class. Biology classes were really cutting up as well, as the students tried their hand at dissecting.

Students Fight Off Bitter Cold

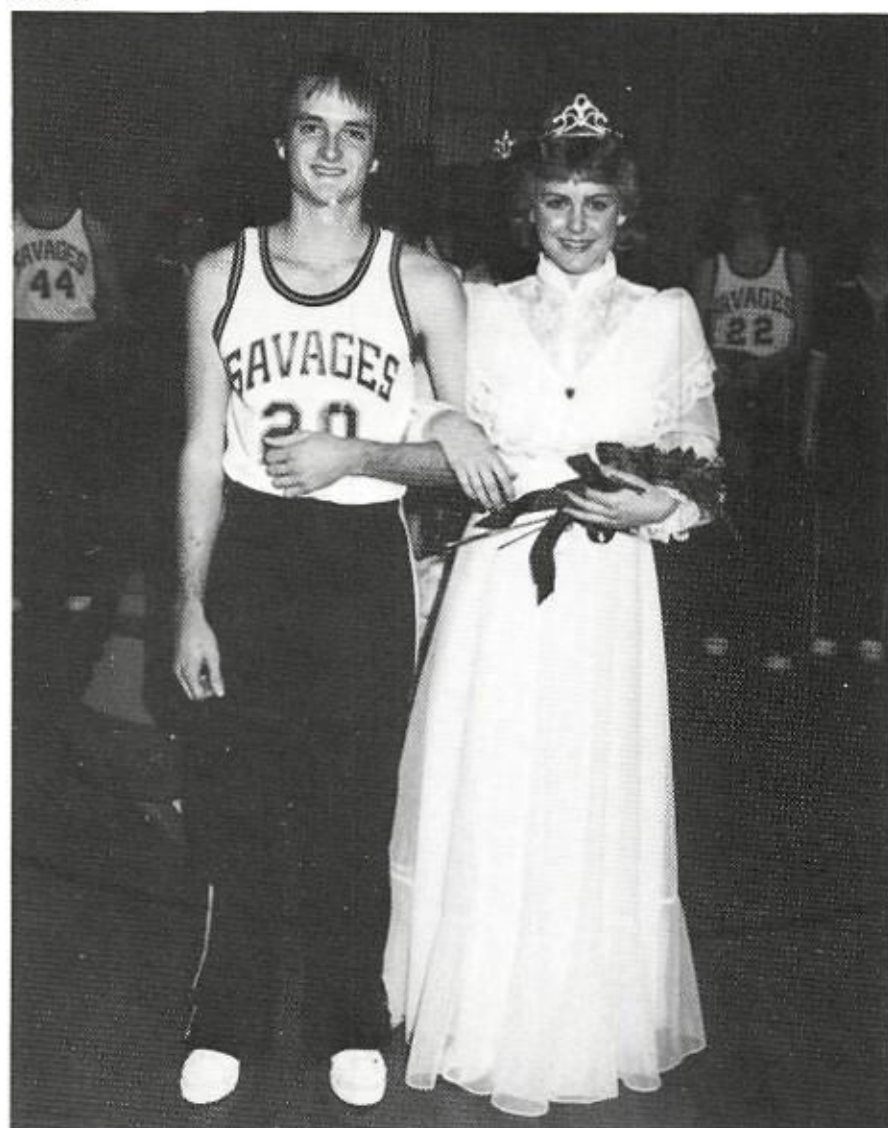

With everybody into full swing, winter came to THS. As the students fought off the cold, they enjoyed the basketball and wrestling seasons and there was an amazing turnout at the Yearbook Queen Coronation. The students were also relieved when Christmas vacation rolled around to give them a badly needed break from school. As the students strolled back to THS, they prepared for a busy 1984.

Yearbook Coronation Is a Success

The 2nd annual Yearbook Pageant held many exciting moments. Shelly Dunn, Phil Baum, and Bruce Ward judged the 10 semi-finalists on interview, essay, and talent. Alisa Abbott, Jeanne Cunningham, Regina Cannon, Jacque Casey, Janee Cranford, Shirley Mitchell, Dana Etchieson, Cheri Morrow, Angie House, and Tammy Ballou sang, danced, read, and performed on the piano for competition. Alisa Abbott was crowned Yearbook Queen.

Youth Alive and FCA Live It Up

FCA and Youth got together throughout the year to share many good times. Together they scheduled a hay ride, a couple of volleyball games, a film *Football Follies*. Coach J. R. Murray and Coach Joe Johnson, sponsors of Fellowship of Christian Athletes, and Mr. Jon Davis — sponsor of Youth Alive, worked hard to make the year fulfilling and successful for all the students involved.

FFA and FHA have been very busy doing activities, competing in contests, and raising funds.

FHA raised money by having an aerobics class at Magic Mirror. They made clothes for baby dolls for operation Christmas too.

FFA sold Blue and Gold Sausage, turkeys and cheese. They entered livestock shows and speech contests and had the annual greenhand initiation with 37 greenhands. They also had FFA week in February.

They Proved Them Wrong

The Tecumseh Varsity Savages played an exciting season of high scores and fast action. Coached by Roy Capps and Brad Walck, the Savages season ended with a record of 10-10. The men showed great talent and ability. They worked as a team making Savage Spirit come alive. Once again Savages took first in the Pott. County Tournament. They played Maud, Asher, and Dale and beat all of them by at least twenty points. Only one member of this T.H.S. squad graduated; Robert Klaus (20), a highly regarded player by his fans and team members.

Lady Savages Win District

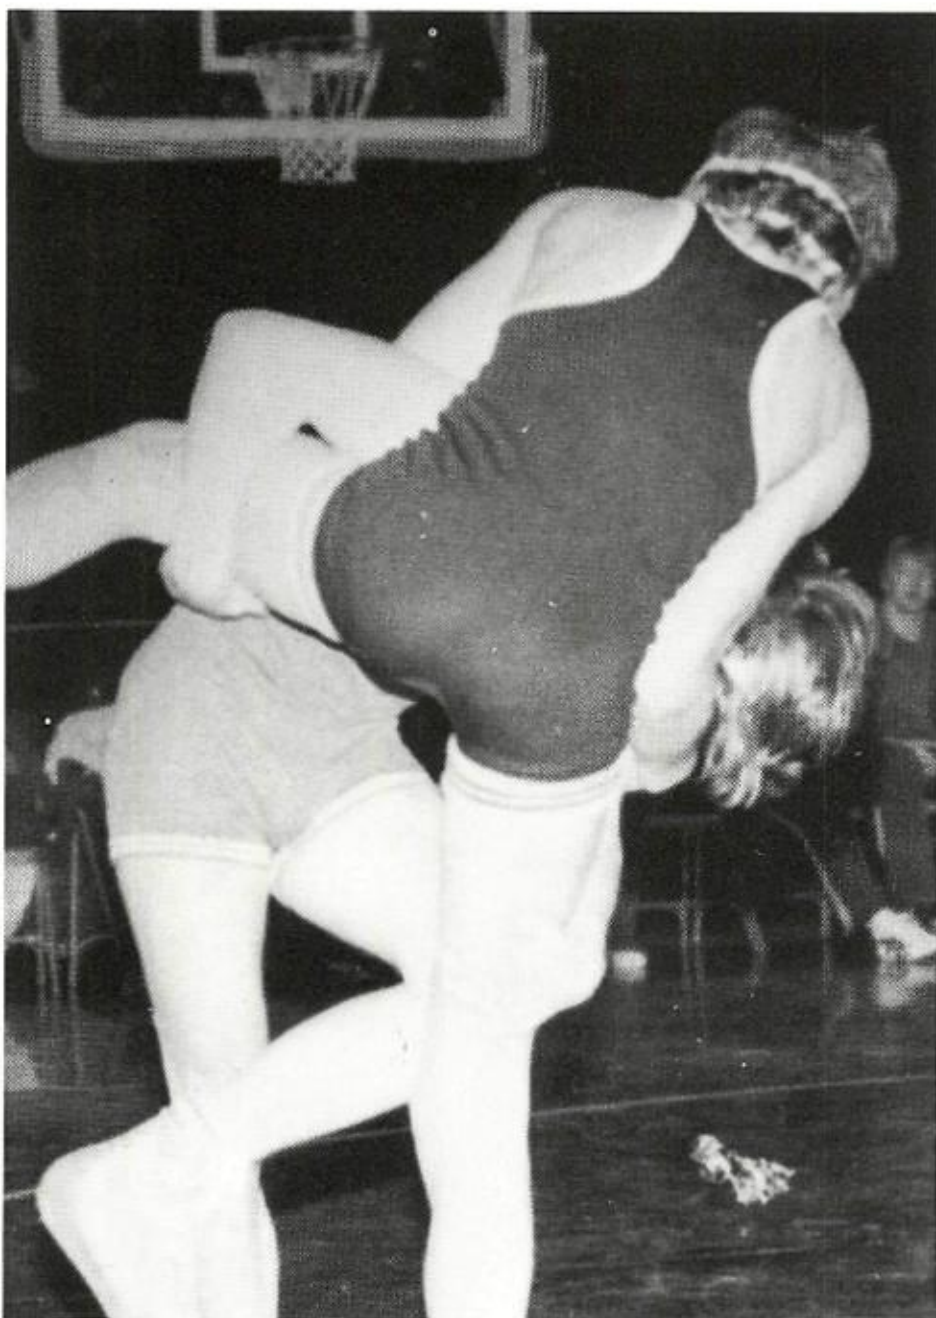

The 1983-84 Lady Savages added a spark and flare to girl's Basketball that has never before been exhibited in Tecumseh. This spark lit a flame among the fan's spirit that turned into a blaze as the girls took victory after victory. The varsity girls worked hard as a team, pulled together by their new coaches, Brad Walck assisted by Kaye Sharpe. With this team spirit they succeeded in taking second in the Bison Invitational Tournament, third in the Pott. County Tournament, and first in District. During this season the Lady savages won more games than they had in the past three years combined, ending the season with a record of 14 and 10.

New Hopes for the Future

The season was much like the '82, '83 season: lack of personnel, cancellation of matches and optimism for the future. The bright spot was edging out Bethel to win the Tecumseh Tournament. We also beat Lexington for our only dual victory.

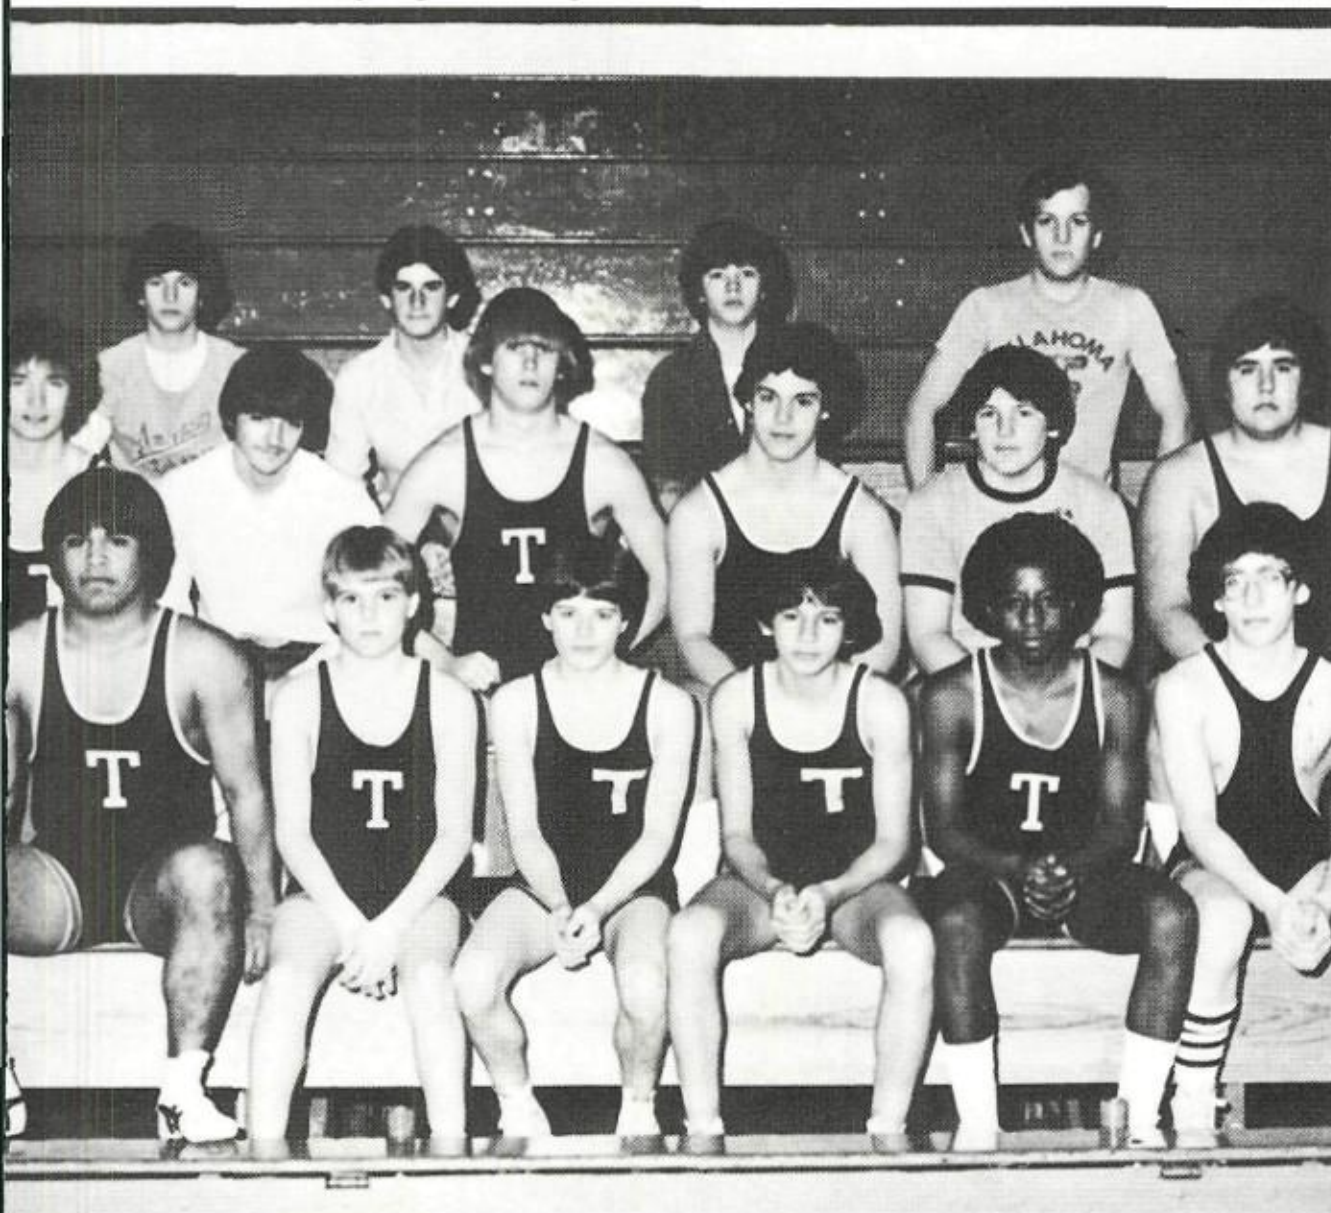

Thanks to an outstanding group of 9th graders Tecumseh's wrestling future is bright. The Savages should be very representative the next three years.

Business Classes Have Their Day

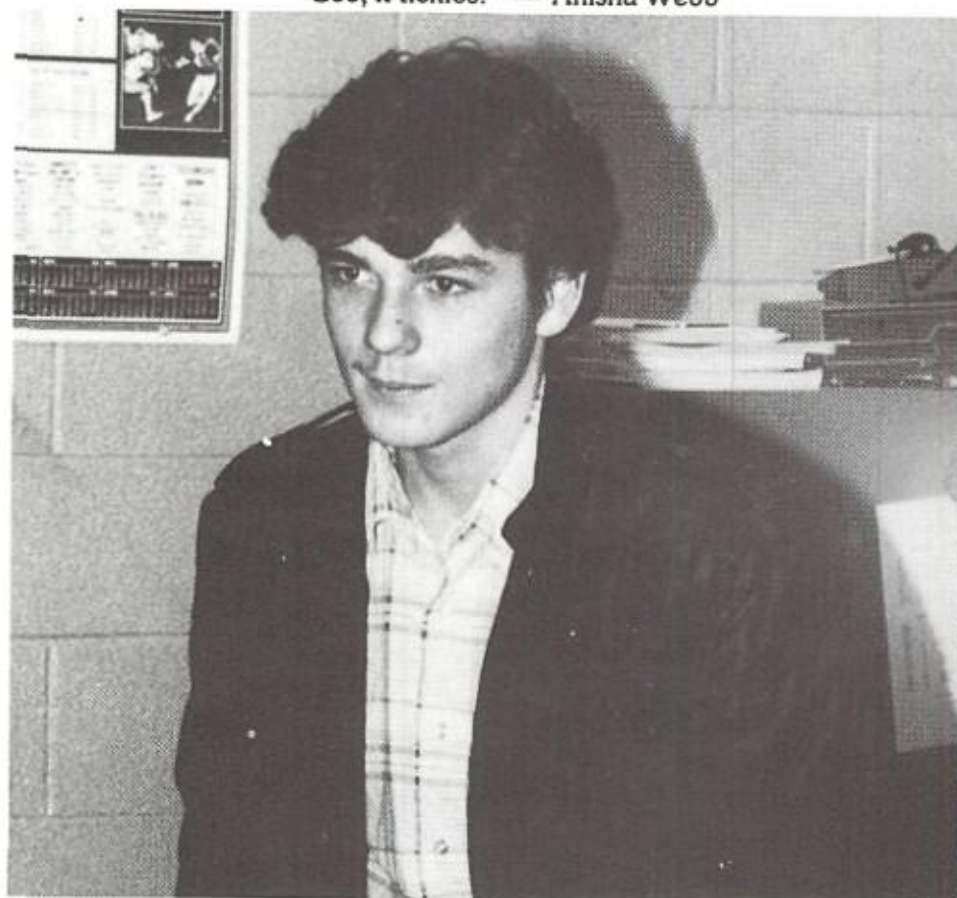

In business classes, students learn to develop their skills in typing and other areas. These courses help prepare students for a business career. On March 9th THS held its annual Careers' Day. It was highly successful, as representatives of several professions came to tell students about their professions.

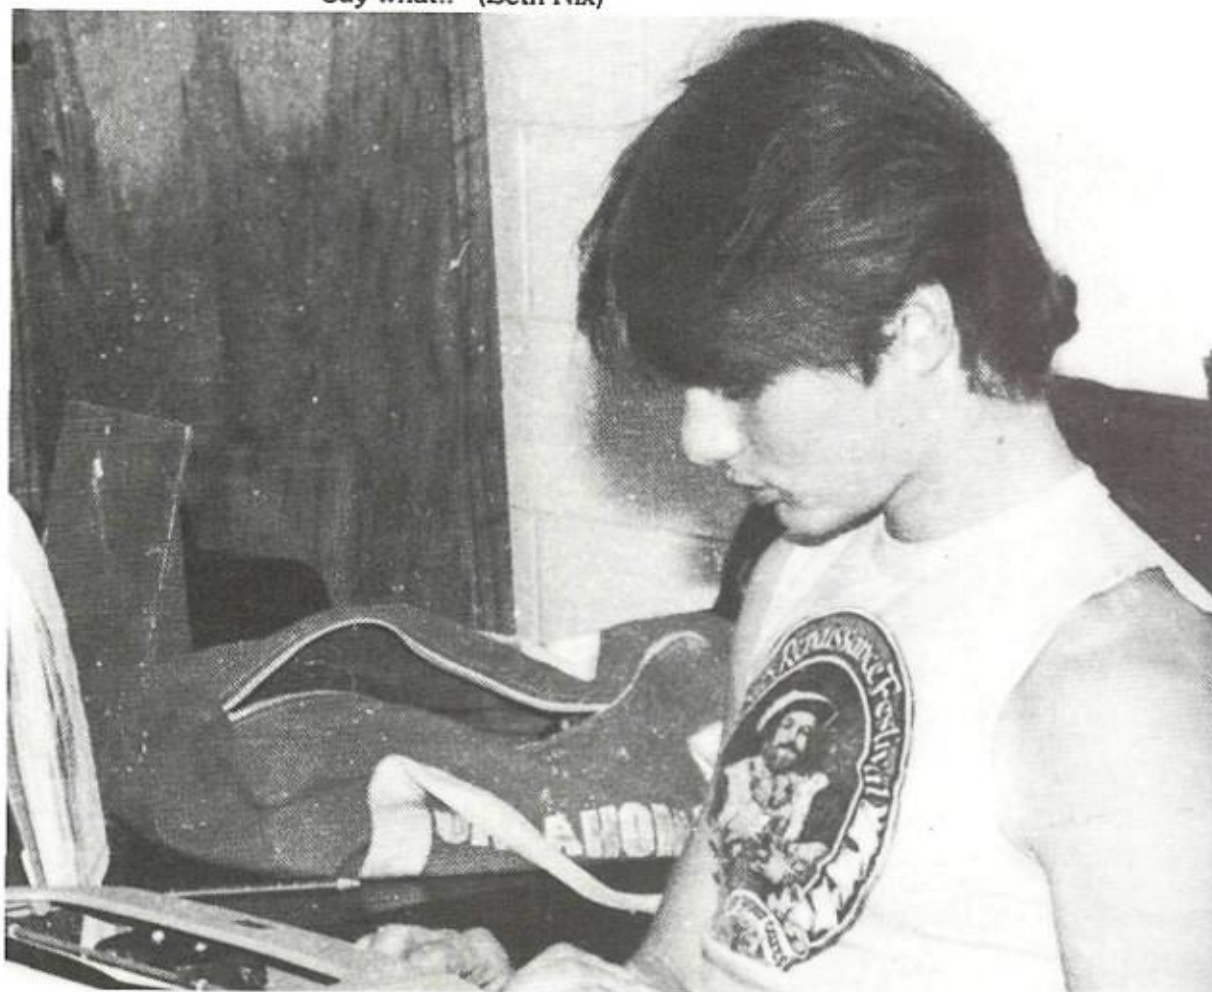

"Gee, it tickles." — Anisha Webb

Quest for Knowledge

The THS curriculum offers a wide variety of subject matter. The students are given some hand in what they will be studying. THS offers pre-enrollment so that students may choose courses which they are interested in. As you can see these students and teachers are very interested in what they are doing.

Spring Closes Out a Great Year!

Spring is the time when excitement mounts. Students are preparing for graduation and summer. Everyone is anxious for warm weather. Meanwhile, students summed up the year with a lot of hard work in class. Baseball also got into full swing as the year came to an end and everyone said good-bye to the class of '84.

Savages '84

The Savages have been on a quest for school spirit and pride the last two years. The students finally found what they were searching for. Mr. Shields commented, "I got a very large lump in my throat because I could see that the spirit we have been working toward . . . finally arrived." Throughout the 83-84 year we have shown spirit and pride in our school and country unique to the Savages of '84.

More Than Just Rooms ... Learning Centers

Not all learning at THS takes place in the regular class rooms. Our usual instruction is supplemented by an excellent library with two computer rooms. Other unique areas of learning are our special education and learning disabilities classes.

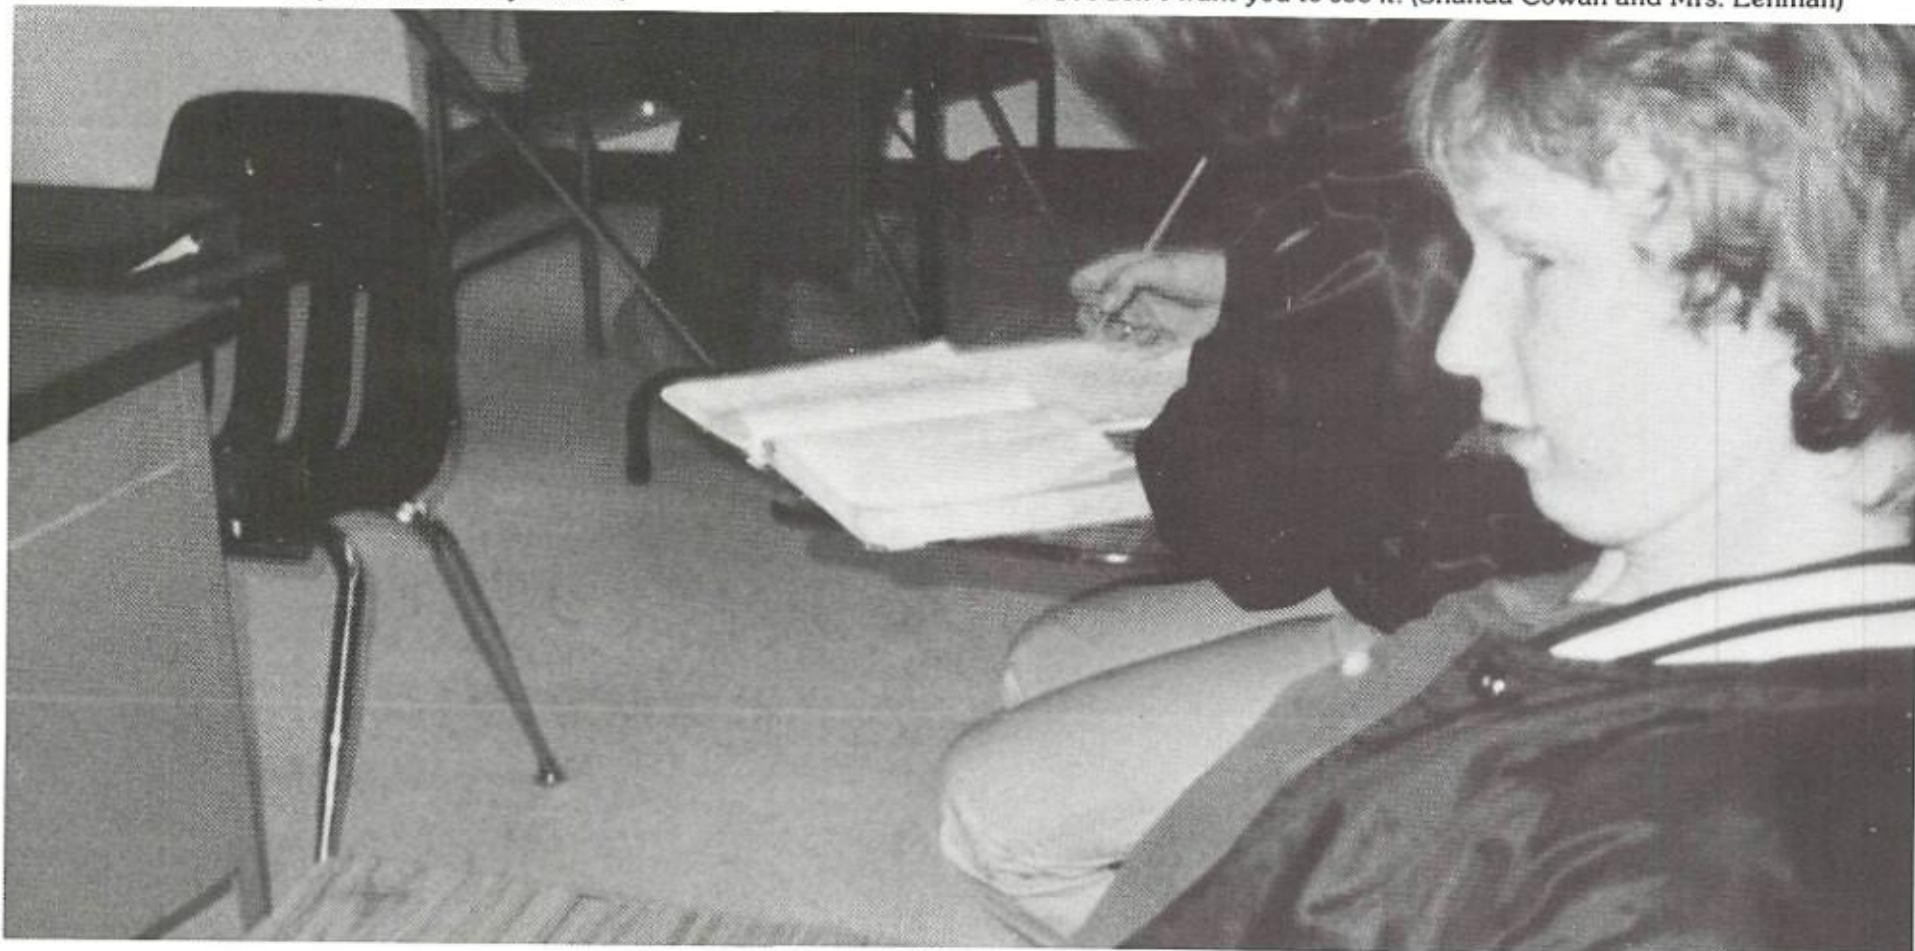

Wow! They even give us our own private desk. (David Flowers)

Say cheese! (Cindy Beaver)

NO! I don't want you to see it. (Shanda Cowan and Mrs. Lehman)

A Special Way of Learning

In Art, Home Economics, and Driver's education the students are involved in a special way of learning. They participate in their class by actually doing a project and learning from their mistakes as they go along through the school year. This makes learning easier for the students and the teachers. You remember what you do better than what you hear or read. It is indeed a special way of learning.

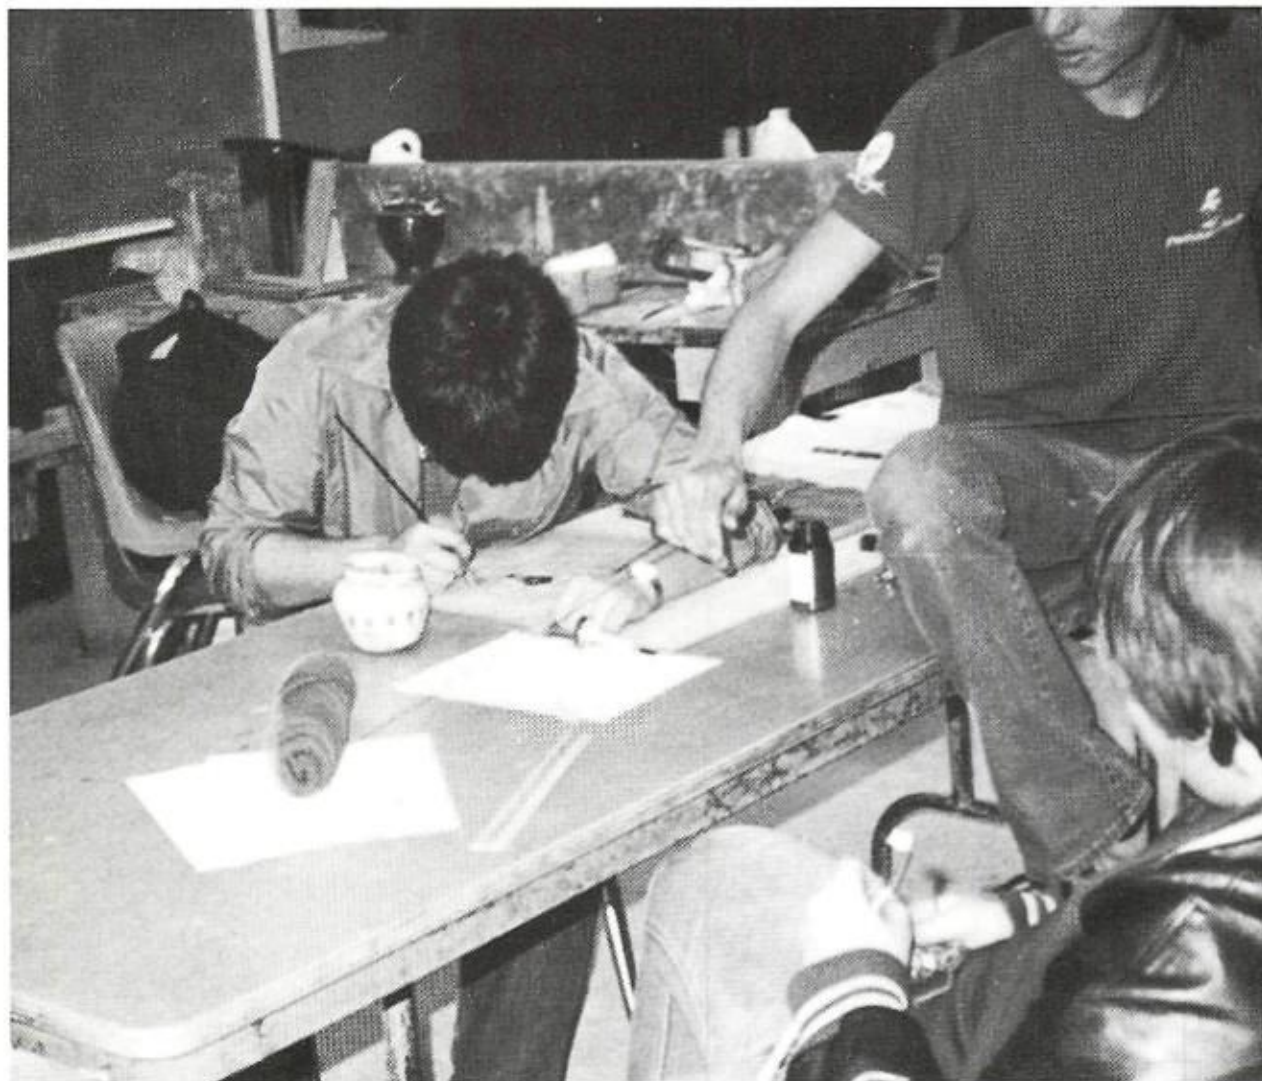

- Tracey Moore develops his art skills.
- ▼ John Newey works hard at his craft.

▼ Home Ec. consists of more than we thought!

▲ Ruthie Kingham enjoys learning about driving.

▲ Ray Dewitt learns how to use yarn.

Three Desires . . . Money, Health, & Friends

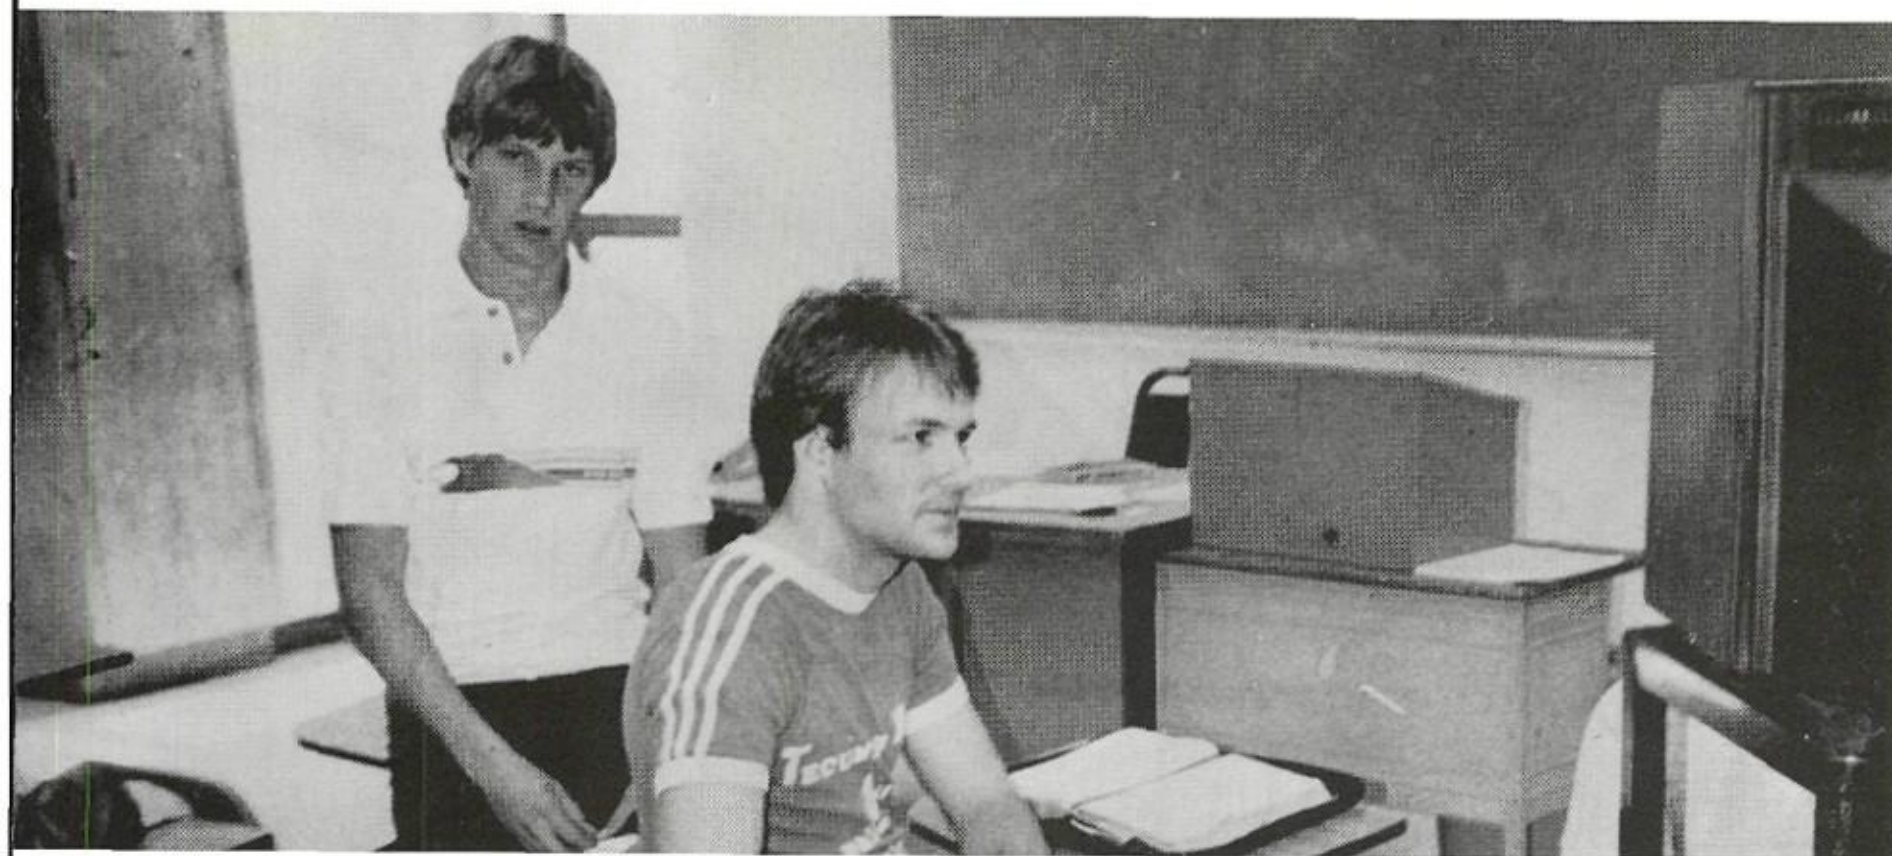

Teaching about money and its uses are what Mr. Walck's economics class is all about. Students learn about money management, taxes, banking, etc. Other classes, such as health and sociology round out our education with a background which may prove helpful in later years.

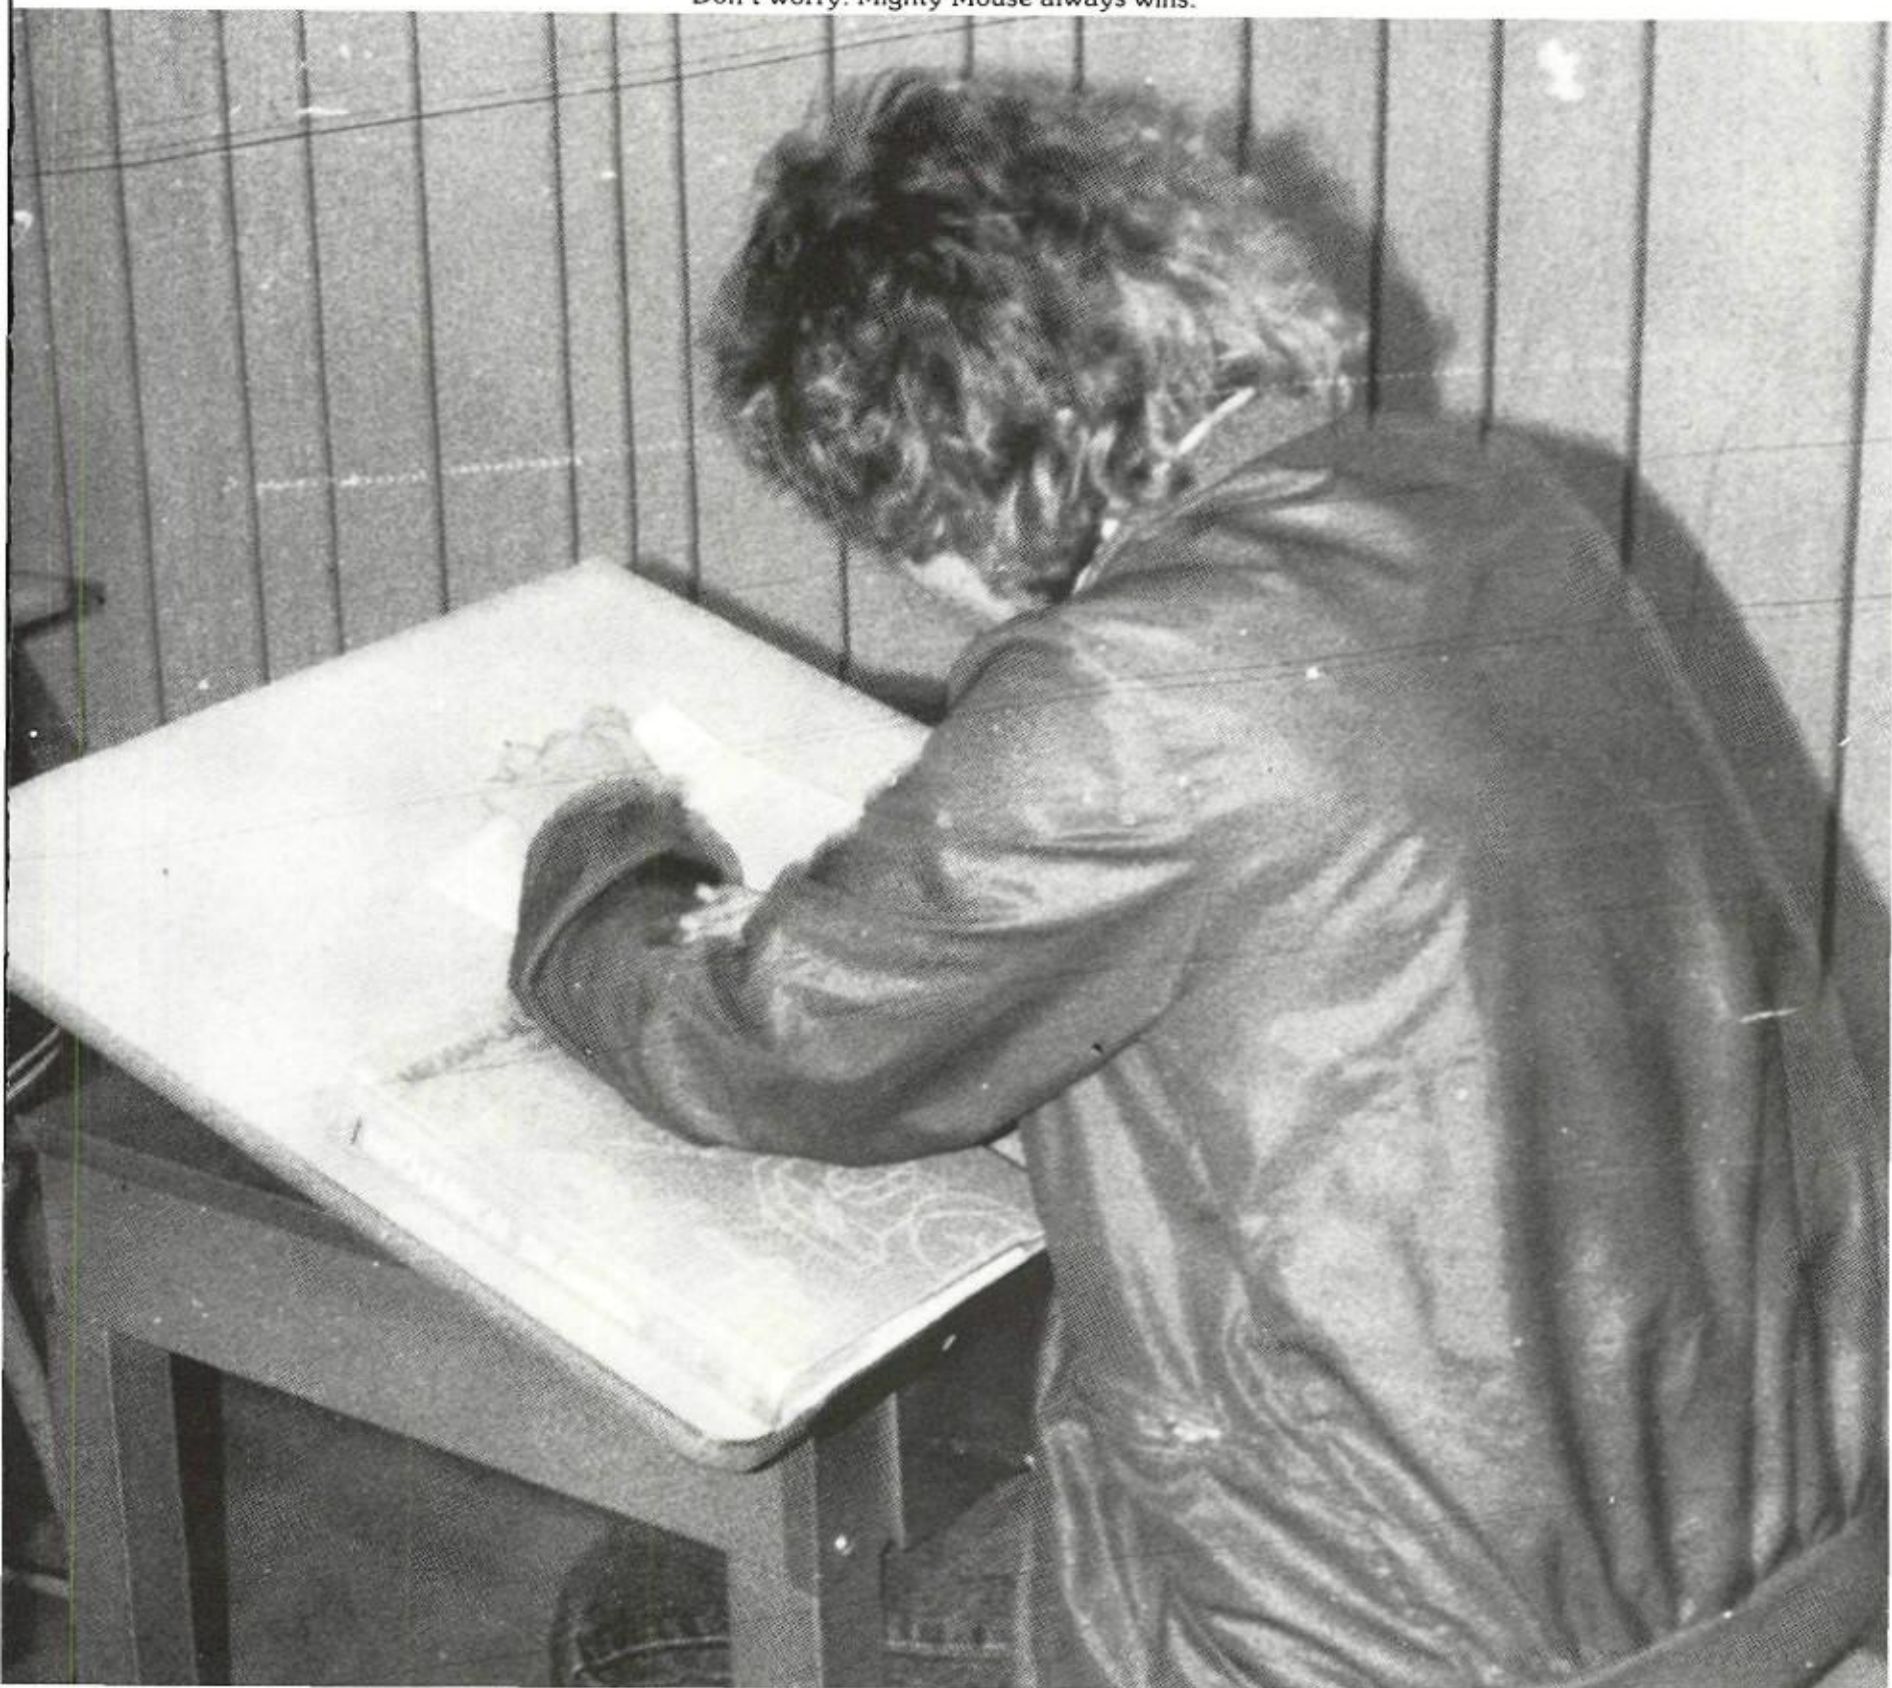

Tammy Ballou writes a report on "The Purse."

Students discover the economic world.

Spanish Club Proves to Be Rewarding

The Spanish club worked hard participating in the year's activities. They had luncheons every Tuesday and worked on talent for contests. These contests were Pan-American Day at OU and Spanish Day at OBU. The Spanish classes also had the privilege of having a Mexican foreign exchange student from Shawnee visit them. His name was Hector Garcia-Padilla and he shared his views about the different life styles of the Americans and Mexicans.

Spring in Perspective

The organizations at THS had fun throughout the year, but spring opened the door for many more. The choirs wrapped up the year with contests and the trip to the Bahamas. Spirit Club recruited new members and chose new cheerleaders. Newspaper worked hard on the graduation issue of the Spectrum. Mu Alpha Theta held regular meetings on Fridays. Indeed spring was a busy, but fun and enjoyable time of the year.

▼ The 84-85 THS Cheerleaders are: Jacque Barton, Michelle O'Bright, Kim Barnett, Sherri Varner, Sherri Sherrill, Kara Myers, Jacque Casey, and Janee Cranford, (Leslie Jenks replaced Michelle O'Bright).

▲ Choir students enjoy the relaxed atmosphere of retreat.

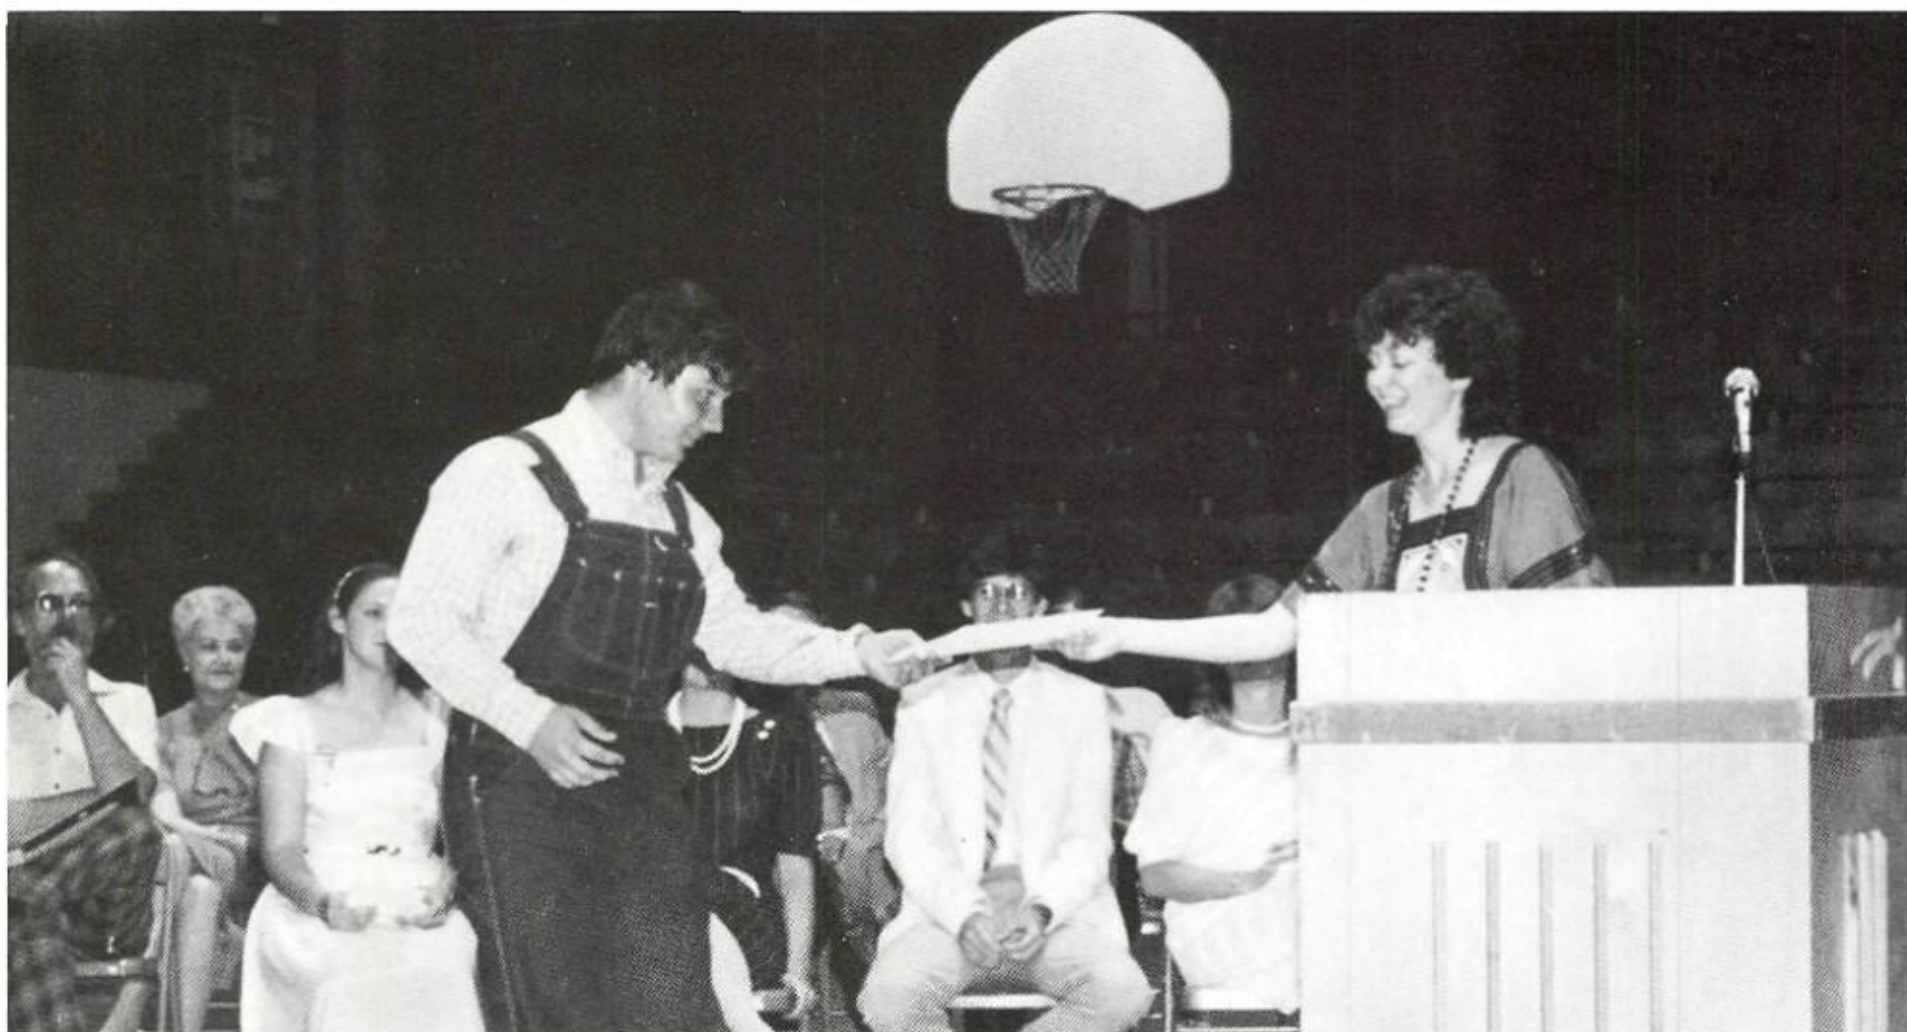

Spring Entertainment Proves to Be Fun!

With spring coming on strong, the Beta club and choir had many activities to keep them busy. Beta club had a convention, a talent show, and a blood mobile. Meanwhile, the choirs had district and state contests, went to retreat, presented a Broadway show, and took a trip to the Bahamas. Spring entertainment does prove to be fun.

▲ Mr. Canfield gives Mike Wolfinbargera a history award during the May 17th awards assembly.

Conventions End Year

There have been many activities going on during Spring. The Band went to St. Louis, Missouri to compete in a Band contest. They received a superior rating. They visited many sites while they were there. The computer club had a computer day at the cafeteria. They have also held many meetings this year. The Beta club had their yearly State convention in Oklahoma City and won first place in talent. The National Beta convention will take place in Nashville, Tennessee, sometime in June.

Savage Track . . . Runs Away With A Good Year

The 1984 track team showed greater interest and participation than in past years. The boys team brought home several medals and competed in a variety of events from high jump to hurdles. The girls team was larger than it has ever been with 13 members. All that participated won at least one medal in a range of events from shot put to relays. Kris Nunley won third in the regional track meet at Pauls Valley in her 2-mile relay. She went on to state to finish eleventh. Although no one else went to state, the whole team had a great time this season, none of it being possible without the dedicated coaching of J.R. Murray and Brad Walck.

The freshmen this year were a spirited group. They participated in several school activities. Although they were the youngest group they were active, and they were able to take the Spirit Stick at several assemblies.

Sophomores Have Style!

The 1983/84 Sophomore Class has shown many different qualities of style this year. The class has gone through many changes in appearance and attitude. But through their changes they have shown their own unique style of Savage Spirit.

Why Be Average, When You Can Be a JUNIOR?

Why do you want to be average when you can be a junior? That's a good question. The Juniors have their own unique style of personality, and have gone through many of changes. You can just look at the 1983-84 Juniors and you can tell that when they were made they broke the mold.

Junior's Ghost Wouldn't Float!

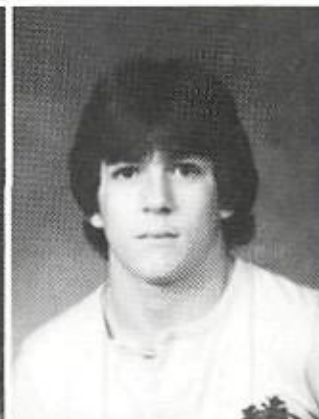

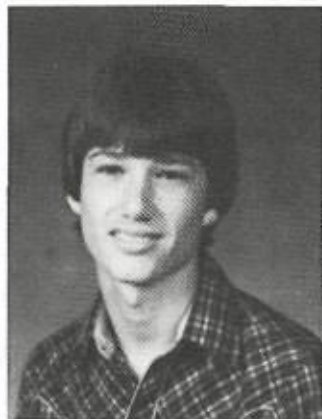

The Juniors had a very difficult time with their homecoming float. The problem was that it just wouldn't float, although the Juniors did spend a lot of hours and effort on it. The theme of the Junior's float was "SPIRIT ON THE LOOSE." The Juniors worked on their float at the Harwell home. The Juniors received fourth place in the float competition at the Football Homecoming parade.

Quality Never Went Out of Style

When the report *A Nation at Risk* was so widely discussed, Tecumseh teachers and administrators responded to public outcries for quality in the schools. The community reaffirmed its commitment to a continuing quality education and passed a bond issue to fund the building of new facilities.

I HATE PICTURES. (PRISCILLA DARBY)

FACULTY . . .

Making Every Day Better and Brighter

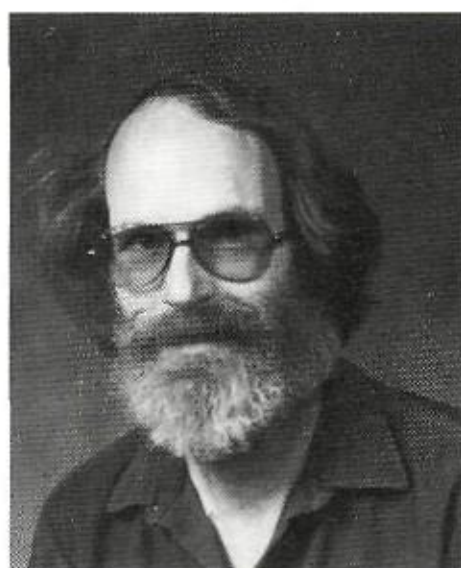

The teachers began the year with disappointing news of no state raise, budget cuts, and other financial worries. More state budget cuts later in the year forced the cancellation of field trips and other minor setbacks. Despite these problems, morale was high.

New faculty at T.H.S. included; Mrs. Butler — math, Mr. Wall — math, Mrs. Warwick — business, and Mr. Yarbrough — administrative assistant.

This year brought many student teachers to T.H.S. These included Grant Gower — social studies and math, Marty Lewis — science, and Patty Austin — Spanish.

New Faces at THS.

During this year some THS faculty left and new members were welcomed. One to leave was Betty Sikes, our janitor. Two others to leave were Gina Rounsaville and Carol Turner, our secretaries. Janet Tate came to fill in for Gina Rounsaville. New to THS this year is Mr. Yarborough, who helps with absentees and tardies and is also in charge of the Gifted and Talented Programs for all Tecumseh Schools. Other new teachers are Mrs. Warwick, Mrs. Butler, and Mr. Wall.

Board of Education Rules THS

The Board of Education is in charge of managing the Tecumseh School Systems, a very hard job. This year they hired Jim Meyers to replace Alva Melot, who retired as superintendent. As well as making decisions about the budget cuts they requested that a tax be put on ballot for the building of a new multipurpose center to replace the old auditorium. The voters passed the bill. Ruling THS is a tough job that requires dedication and spirit. The members of the board are true leaders.

Alva Melot — Superintendent

Jim Myers — Asst. Superintendent

Willis Faye Motley — Board Member

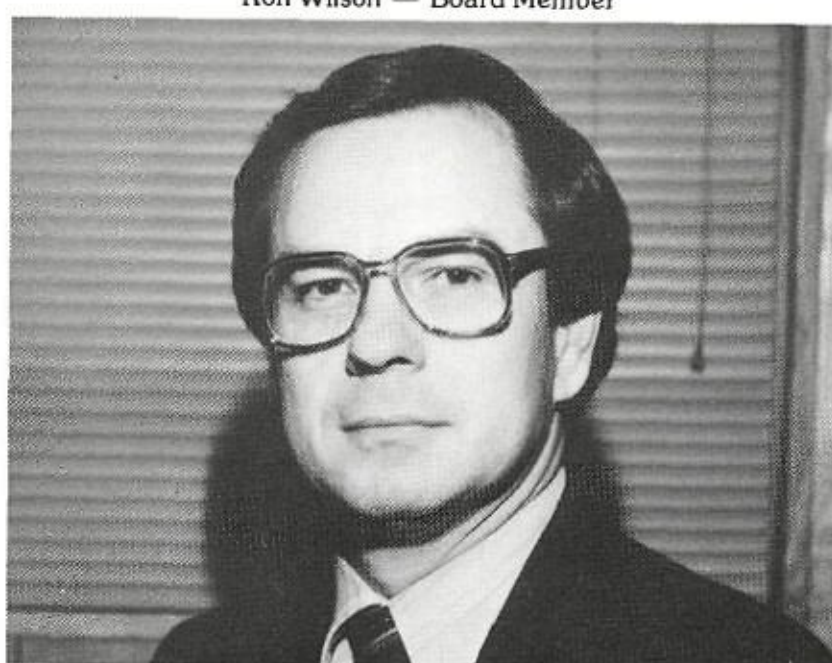

Anita Sigman — Board Member

Ron Wilson — Board Member

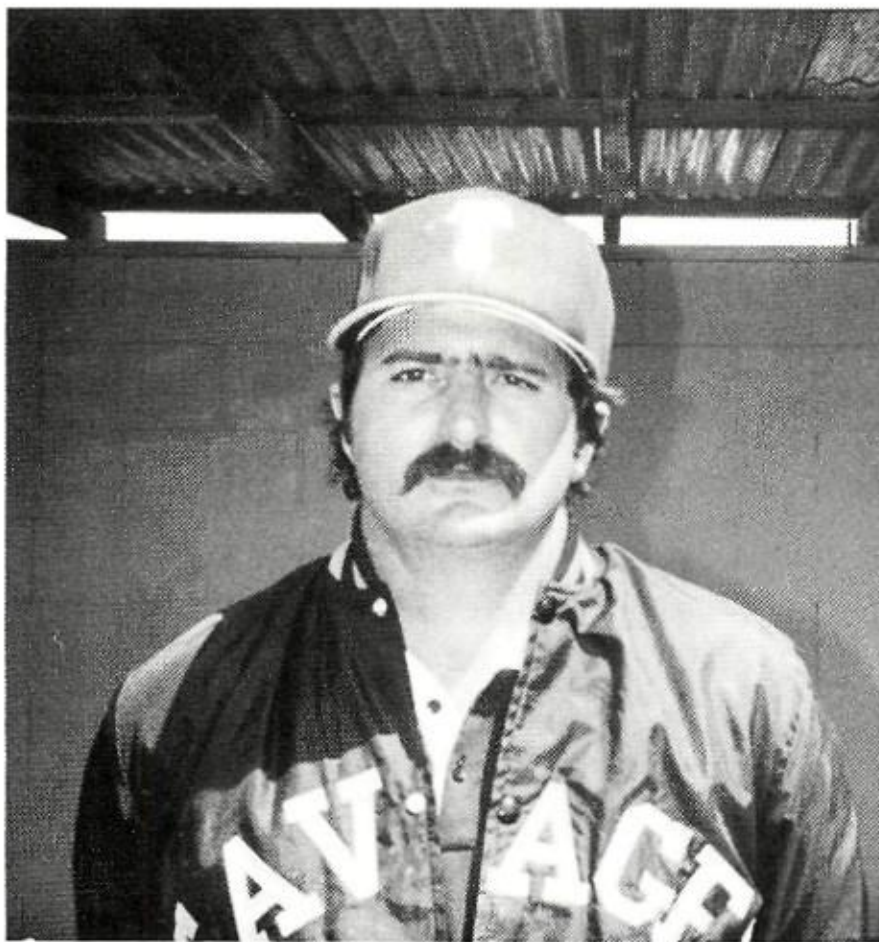

Jesse McCullar — Board Member

Roy Rider — Board Member

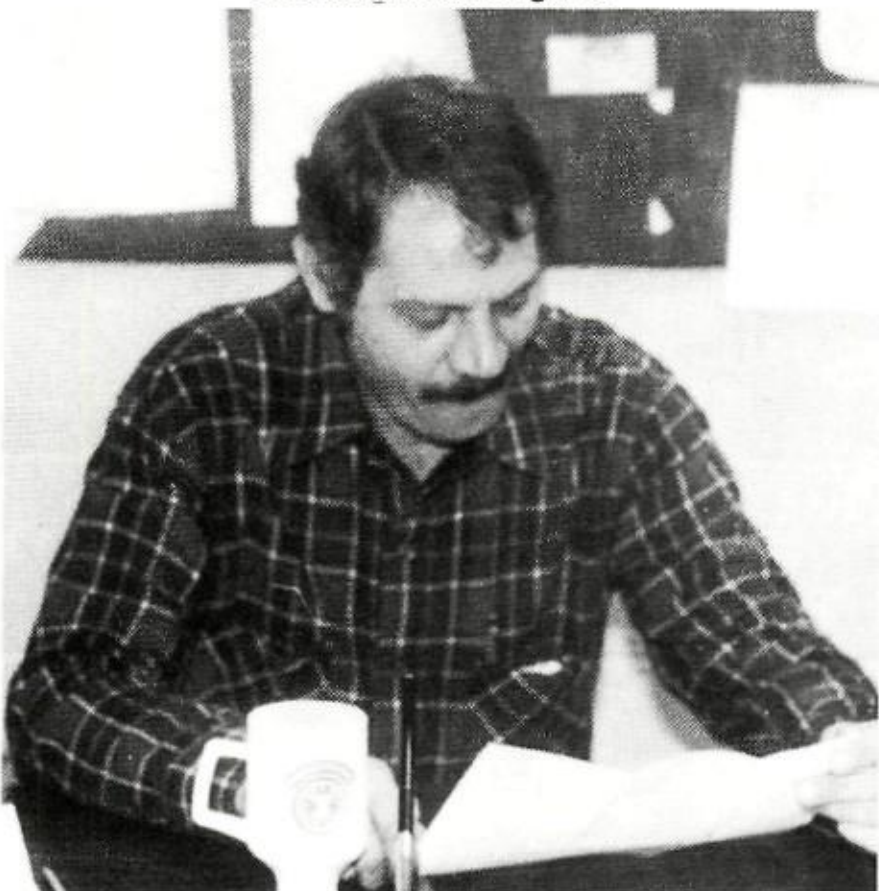

TECUMSEH BOARD MEMBERS — **Back Row, L to R:** Roy Rider, Jesse McCullar, Ron Wilson. **Sitting:** Willis Faye Motley and Anita Sigman.

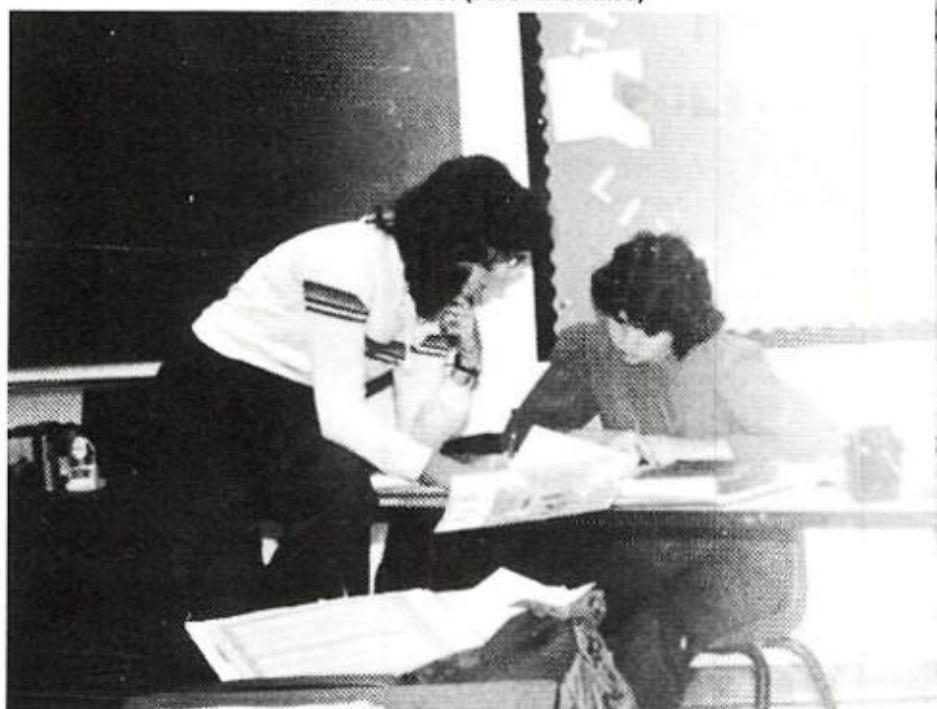

Mr. Robinson at a ball game.

Hello there. (Mrs. Outland)

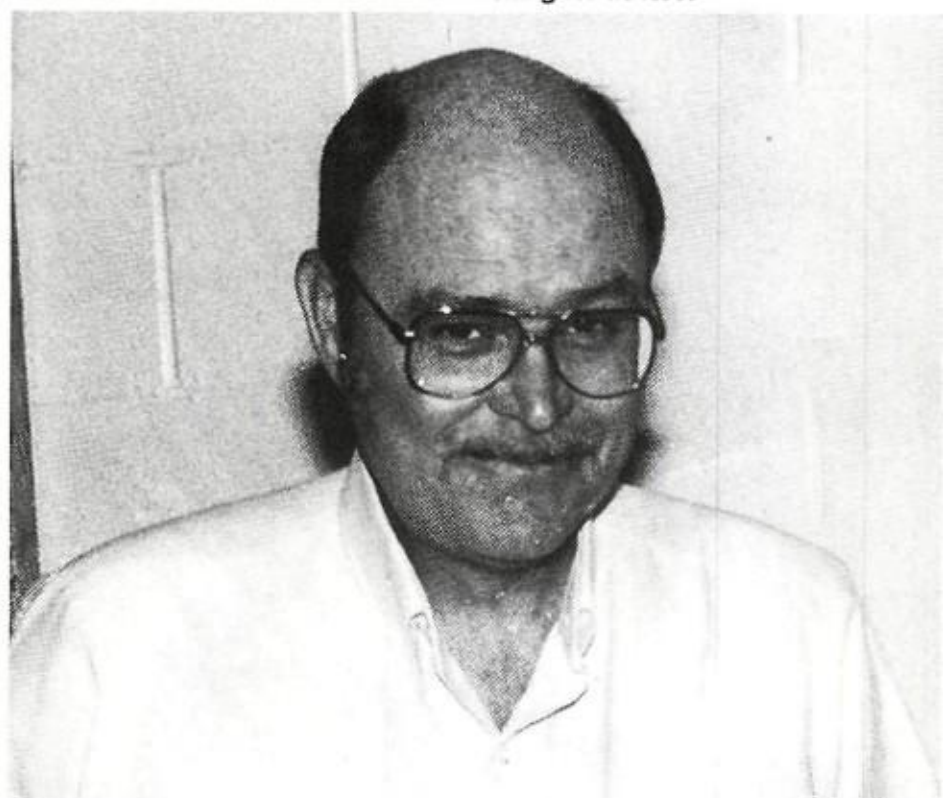

Is this a joke? (Mr. Webb)

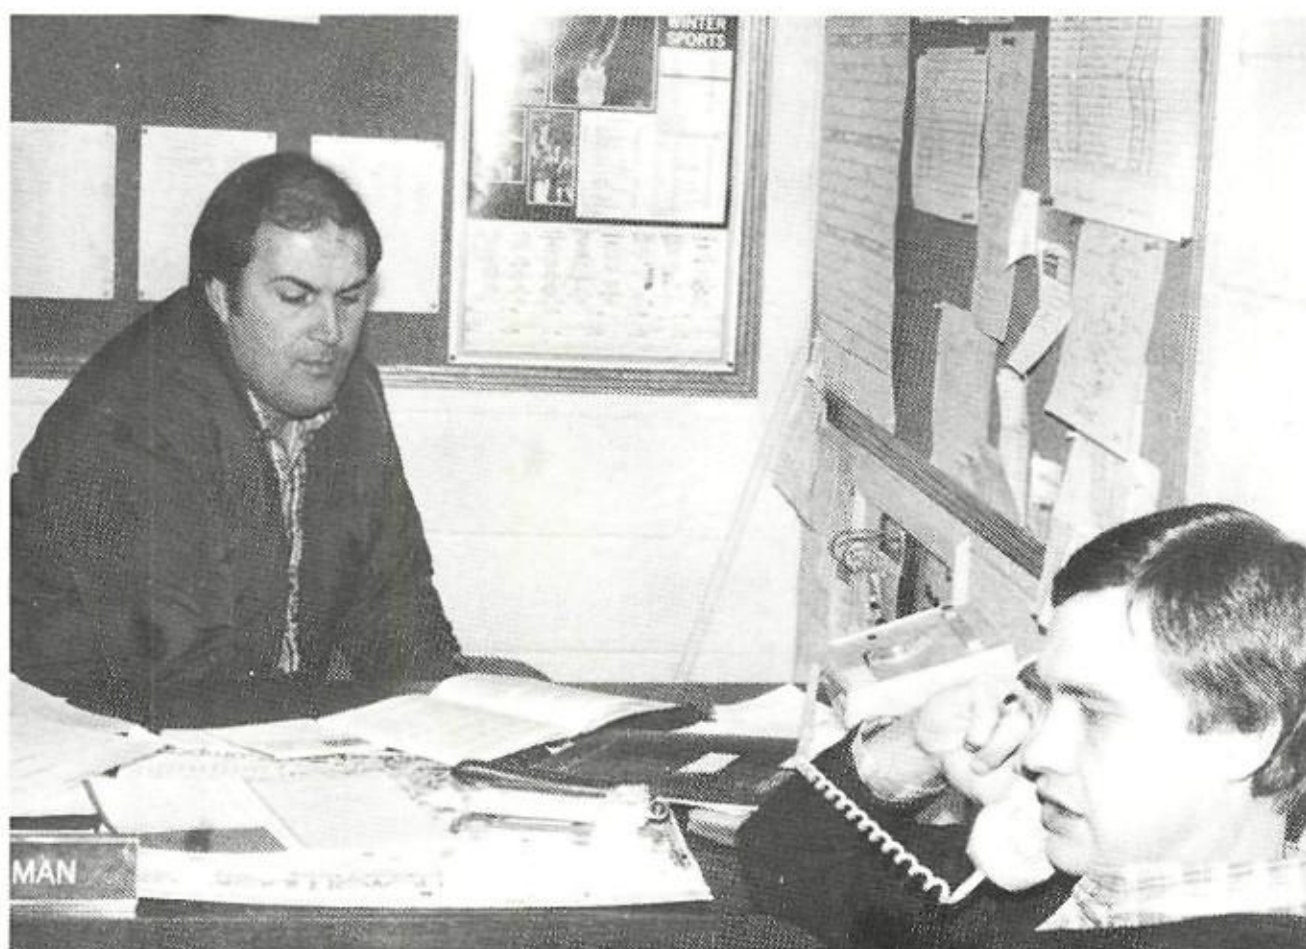

Mrs. Shoemaker asking for advice.

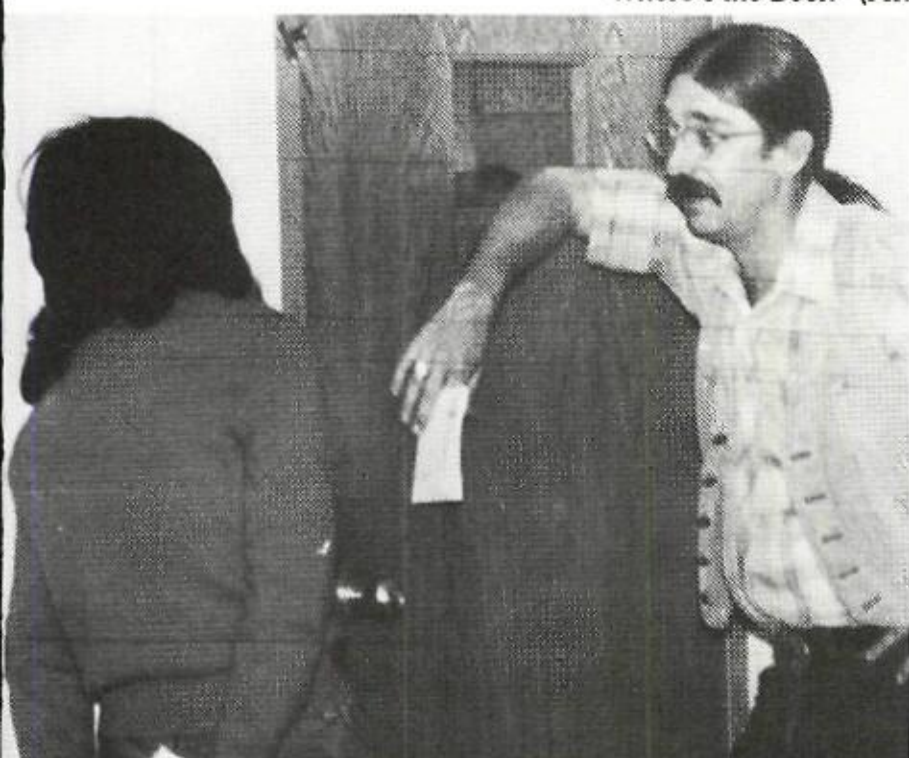

Gina Rounsaville types up a letter.

Mr. Whittington thinking of ways to torture his students.

"Where's the Beef!" (Mr. Shields and Mr. Hillman)

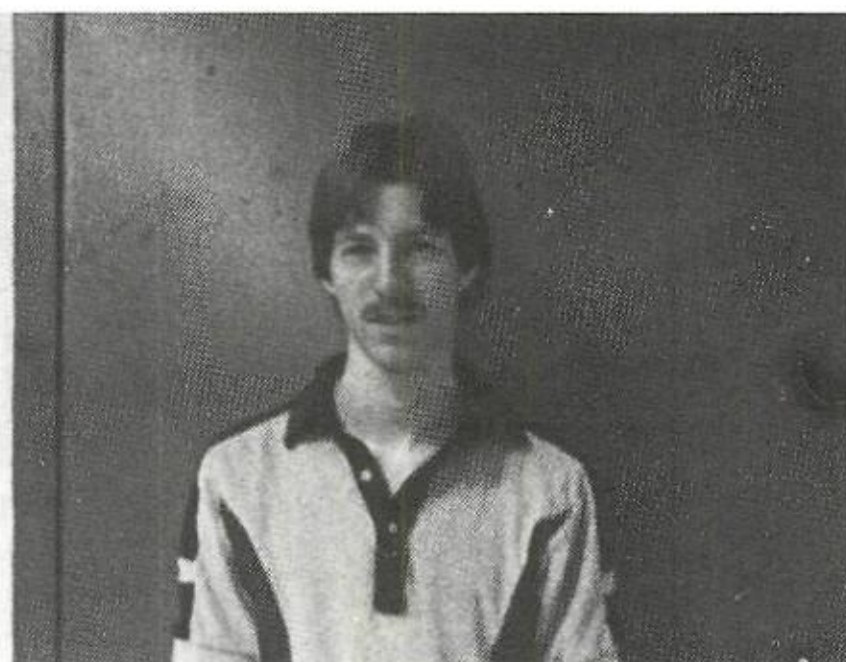

Mr. Hunsaker discusses the Adventures of Gumby.

I wish he would take his hand off me. (Mrs. Malzacher and Steve Barnes)

John Fortson Replaces Betty Sikes

This year Betty Sikes left THS. She had decided to retire last year but said she would stay until there was a replacement found. Betty had been janitor at THS for about six and a half years. John Fortson became Tecumseh High's new janitor.

Experience That Will Last

No one can ever be the same after attending Tecumseh High School. THS is a learning experience and a growing experience, and we are all lucky to have experienced it. We hope we have helped you "drop in" on the 1983-84 school year.

Thanks, Mr. Melot

After years of service to Tecumseh Schools and the Community of Tecumseh, our superintendent, Mr. Alva Melot, has decided to retire. His dedicated work for the school will be missed, and it is our pleasure to dedicate this yearbook to him.
